

Placement in Employment

All institutions participating in Title IV, HEA student financial aid programs must make available to prospective and enrolled students, through appropriate publications, mailings, or electronic media, information regarding the placement in employment of, and types of employment obtained by, graduates of the institution's degree or certificate programs.

The following data was collected through a 3-year alumni survey of the graduating class of 2016.

50% of those polled participated and reported the following ministry/missions employment placements:

- 1) Missionary candidate
- 2) Assistant Store Manager at The Salvation Army Thrift Store
- 3) Short term mission trip coordinator at Colorado Christian University
- 4) Nanny
- 5) Northwest regional manager of substitute teachers
